

I wanted to connect with others  Now I'm connected to the whole world

 HSBC | Opening up a world of opportunity

Applications are open now for HSBC 2025 Global Banking & Markets Summer Internship Programmes in Hong Kong.

We are a bank with a strong social conscience and with a size and scale that allows employees to impact important global issues. Working here means powering your personal progression, following your passion and opening opportunities to make positive change.

Our Internship Programmes are for students in their penultimate year of study and run for 10 weeks. They give you first-hand experience of what it's like to work for an international bank and will prepare you to join our Global Graduate Programme the following year.

Click on the links or scan the QR codes below for more information and to apply. Applications close on **31 October 2024**, but we encourage you to apply as soon as possible as we recruit on a rolling basis and may close applications before the advertised date once all vacancies are filled.

Business Line	Overview	Application link and QR code
Global Banking - Corporate and Institutional Banking	Gain insight into how relationship bankers build trusted relationships and lead client interactions to deliver innovative solutions for corporate and institutional clients alongside product specialists.	Here
