ELIGIBILITY

- All participants must be aged 18-25, currently attending any recognized universities in Hong Kong or currently residing in Hong Kong. To join the University Investment Hackathon, all participants must be female.
- Participants must also be student members of 100 Women in Finance. Please sign up for a complimentary student membership [here](#) registering for both events.

This program and the complimentary student membership of 100 Women in Finance are made possible thanks to the generous supporters of 100WF Hong Kong Foundation Limited.

100 Women in Finance

100 Women in Finance strengthens the global finance industry by empowering women to achieve their professional potential at each career stage. Its members inspire, equip and advocate for a new generation of industry leadership, in which women and men serve as investment professionals and executives, equal in achievement and impact. Through Education, Peer Engagement and Impact, the organization furthers the progress of women who have chosen finance as a career, and enables their positive influence over pre-career young women.
