

# Level Up Your Tech Skills with FinTech SkillsSprint! 🚀

Unlock the future of finance and technology with FinTech SkillsSprint 2025, organized in partnership between Königsberger Bridges Institute (KBI) and City University of Hong Kong Department of Data Science—a high-impact, 4-hour bootcamp designed for students and educators eager to master Blockchain & Trust Technologies (BCTT) and Data Science & Artificial Intelligence (DSAI). Whether you're a beginner or looking to sharpen your competitive edge, this event is your gateway to global opportunities!

## Event Details

-  **Date & Time:** Multiple rounds from August to September 2025
-  **Venue:** Hybrid — Attend in-person at City University of Hong Kong or join online via Zoom
-  **Duration:** 4 hours per track
-  **Who Should Join:** Students and recent graduates of all disciplines—no prior experience needed!

## What You'll Get

- 🌟 **Hands-On Learning:** Work on real-world projects in finance, healthcare, and sustainability.
- 🌟 **Expert Instructors:** Learn from industry professionals and past Olympiad winners.
- 🌟 **Olympiad Prep:** Get ready for the International Blockchain Olympiad (IBCOL 2025) and International Data Science Olympiad (IDSOL 2025).
- 🌟 **Flexible Rounds:** Multiple dates—choose what fits your schedule.
- 🌟 **Hybrid Access:** Join in-person or online, wherever you are.
- 🌟 **Networking:** Connect with peers, mentors, and industry leaders.
- 🌟 **Certificates:** Earn industry-recognized A1 Solutions Architect certificates to boost your resume, LinkedIn, and college applications.
